

ASSESSMENT # 9**Total Marks: 30**

- 1.** Give short answers for the following questions: (12)
 - i. Explain the most important points which should be considered when selecting a wedding photographer.
 - ii. List the questions which should be asked to the photographer when selecting him for the coverage of the ceremony.
 - iii. Compare two wedding photography styles. Provide photos, as well.
 - iv. Wedding photos are more costly than every day photos. Why? Which costs are involved in wedding photos?

- 2.** 'It is important to view the photographer's portfolio when selecting him for a wedding'. Discuss the important points which should be considered when viewing the photographer's portfolio. (8)

Activity (10)

Make a collage of modern wedding photos and the old ones. Compare them and write a report explaining the differences you see in both sets.
