

Assessment 9

Total Marks: 30

Q: 1: Write short notes on the following topics: (9)

- a) Engraved roller printing
- b) Flat- bed screen printing
- c) Rotary screen printing

Q: 2: What is the difference between weft knitting and warp knitting? (6)

Activity

1. Examine the fibre content labels in the clothes in your wardrobe. How many garments are made from natural fibres? How does the fibre content affect the care of the garments? (7)
2. Visit a local fabric store and find examples of a plain weave, a twill weave, a satin weave, and a non woven fabric. Collect swatches of each type. (8)
