

Assignment 2

Total Marks: 30

Q:1: Objective Questions;

(2)

i. Select the picture that represents the international symbol of accessibility.

- a. 
- b. 
- c. 

ii. True or False: Acceptance does not mean adopting the behaviors or rituals of another person as if they were your own.

Q:2: Short Questions;

(18)

- I. Discuss some accessibility features that help to make places accessible for the disabled people?
- II. What types of barriers do people with disabilities face when they start working?
- III. What is acceptance? How it can be used when accommodating people with disabilities?

Q:3: Generate a list of places in your own workplaces and/or your communities where they see poor accessibility and barriers. With each example, provide a solution of how to eliminate or reduce the barriers. (10)
