

MARKING SHEET FOR STUDENT'S WORK

Student Name:	CHIPILU NDAFIKUMBWA
Course:	Diploma in Forensic Accounting (Level 4)
Student Number:	1322
Assignment:	2

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Well defined and logical answers. Also you have made good use of words and examples for concluding the answers.
Question 2	Comprehensive answer.
Question 3	Beautifully explained answer . The difference between forgery and uttering was explained beautifully using examples.
Case Study	Good answers related to the case study.
