

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                      |
|------------------------|--------------------------------------|
| <b>Student Name:</b>   | Omnia Rafiq                          |
| <b>Course:</b>         | 1343                                 |
| <b>Student Number:</b> | Diploma in Interior Design (Level 4) |
| <b>Assignment:</b>     | 07                                   |

## UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

### UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

| Re submit | Pass   | Merit  | Distinction |
|-----------|--------|--------|-------------|
| 0-39%     | 40-59% | 60-69% | 70+ %       |

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

### QUESTION COMMENTS

| Question          | Comments                                                                                                                                                                |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Question 1</b> | Your answers are correct and You have beautifully described the topics in this section. You have covered some very good examples and have used brilliant illustrations. |
| <b>Question 2</b> | Well structured answer with detailed discussions. There is a coherent flow in the writing. The answer shows that you had an extensive research into the topic.          |
| <b>Question 3</b> | Excellent answer. Good range of sources. You have beautifully used illustration to support your answer.                                                                 |

### OVERALL GRADING:

|                        |                                                                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Date Graded:</b>    | 08.1.2015                                                                                                                                                     |
| <b>Overall Result:</b> | <b>DISTINCTION</b>                                                                                                                                            |
| <b>Comments:</b>       | A very good assignment. Your work shows that you have studied the topics thoroughly and have a clear understanding about all the topics covered in this unit. |

|                           |                   |
|---------------------------|-------------------|
|                           | Well Done! Omnia. |
| <b>Tutor:</b>             | Siman             |
| <b>Internal Verifier:</b> |                   |
