

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Vismantas Mikstas
Course:	Diploma in Supply Chain & Logistics Management
Student Number:	1181
Assignment:	08

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	All questions were thoroughly answered. Concepts were very clear.
Question 2	You discussed comprehensively about main reason of keeping the stocks.
Question 3	Detailed answer with conceptual clarity.
