

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Gerry Beirne
Course:	Diploma in Logistics and Supply Chain Management (Level 4)
Student Number:	1257
Assignment:	13

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	All the questions are thoroughly answered, the concepts are very clear. Your work shows that you have researched extensively and have demonstrated a good understanding of the topics. You have also made good use of examples throughout to support your work.
Question 2	Detailed answer covering very good examples. You could have used illustrations to demonstrate four types of supply chain operations.
