

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Jennoreen King
Course:	Diploma in Forensic Accounting
Student Number:	1287
Assignment:	2

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Good answers.
Question 2	Conceptually clear but more detail is required . The discussion must be supported by relevant examples to make the points further clear.
Question 3	Suitable work. You could have elaborated your answer with relevant examples.
Case Study	Appropriately considered.

OVERALL GRADING:

Date Graded:	10.10.2014
Overall Result:	Pass
Comments:	Answers to all the questions should be in good details accept question 1 that asks for brief answers. Also try to support your work with relevant examples in each section.
