MARKING SHEET FOR STUDENT'S WORK

Student Name:	Dinah Maekopo
Course:	Diploma in Accounting and Finance
Student Number:	1274
Assignment:	12

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives MUST be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)
Merit (M)
Distinction (D)
Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Appropriately considered. The starting points are explaining why it is necessary to manage working capital but the last few points only describe some management tools.
Question 2	Satisfactory answer. You have described different ratios rather than explaining why it becomes more important to manage quick ratio in a recession for survival of the company?
Question 3	Good answer.
