

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Richard Bahari
Course:	Diploma in Construction Management (Level 4)
Student Number:	1272
Assignment:	05

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Satisfactory answers. You could have elaborated the answers with relevant examples.
Question 2	The answer is brief but concepts seem clear. There are no examples presented to support the answer.
Question 3	Your answer to this question is too brief. The concepts however seem clear. You could have included some examples when explaining 'How is the provision of site electricity different from building electricity'.
