

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Betty Divine Itangishaka
Course:	Diploma in Forensic Accounting (Level 4)
Student Number:	1254
Assignment:	05

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Well organized and logical answers. You have brilliantly explained all the by using relevant examples.
Question 2	Suitable work but you could have put more detail about private and public database for investigation purpose and could have included more examples.
Question 3	Clearly organized and well presented answer.
Case Study	Beautiful presentation of the points to the case study. Well done.

OVERALL GRADING:

Date Graded:	24.11.2014
Overall Result:	MERIT
Comments:	I think you have significantly progressed. Your work also shows that you had extensive study into the topics of this unit and have supported your work with examples. Well Done
