

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Gintaras Juodaitis
Course:	Diploma logistics in Supply Chain Management (Level 4)
Student Number:	1335
Assignment:	03

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	All your answers are correct in this section. You could have added extra details to support your answers.
Question 2	You have clearly outlined the steps involved in developing a logistic strategy.
Case Study	Your answers to all the case study questions are correct.
