

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                          |
|------------------------|------------------------------------------|
| <b>Student Name:</b>   | Julie Bowmer                             |
| <b>Course:</b>         | Diploma in Forensic Accounting (Level 4) |
| <b>Student Number:</b> | 1332                                     |
| <b>Assignment:</b>     | 03                                       |

### UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

#### UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

| Re submit | Pass   | Merit  | Distinction |
|-----------|--------|--------|-------------|
| 0-39%     | 40-59% | 60-69% | 70+ %       |

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

#### QUESTION COMMENTS

| Question          | Comments                                                                                                                                            |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Question 1</b> | The answers are comprehensive and your understanding of the topics seems clear. Try to support your answers with relevant examples and references.  |
| <b>Question 2</b> | You have correctly mentioned the difference in the profile of the white or blue collar criminals and the typical street criminal. Very good answer. |
| <b>Question 3</b> | Brilliant discussion supported by excellent examples.                                                                                               |
| <b>Case Study</b> | All your answers to the case study questions are correct.                                                                                           |

#### OVERALL GRADING:

|                           |                                            |
|---------------------------|--------------------------------------------|
| <b>Date Graded:</b>       | 20.12.2014                                 |
| <b>Overall Result:</b>    | <b>MERIT</b>                               |
| <b>Comments:</b>          | Overall very good work. keep it up, Julie. |
| <b>Tutor:</b>             | Atif                                       |
| <b>Internal Verifier:</b> |                                            |
