

MARKING SHEET FOR STUDENT'S WORK

Student Name:	SAIDU PAUL CONTEH
Course:	Diploma in Project Management (Level 4)
Student Number:	1330
Assignment:	03

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Good answers because all the answers are well presented and you have supported the answers with relevant examples.
Question 2	Your discussion regarding 'Project integration management' is too brief. You could have elaborated the answer by using suitable examples.
Question 3	Comprehensive discussion about the processes involved in project integration management.
Activity	Well written report, You could have expanded the work with evidence.
