

MARKING SHEET FOR STUDENT'S WORK

Student Name:	SADIYA SHAHID
Course:	Diploma in Project Management (Level 4)
Student Number:	1152
Assignment:	02

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Satisfactory answers. Try to support your answers with relevant examples and illustrations.
Question 2	You have correctly described the importance of planning in project management and have described numerous benefits for projects that pass through proper planning stage. I would however like to add that proper planning significantly reduces the cost and time to complete the project.
Question 3	You have correctly defined the project planning phase and named all plans that are made at project planning stage. However you have not included any examples for these plans.
Question 4	Appropriately considered.
