

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Vivien Turi
Course:	Diploma in Logistics & Supply Chain Management (Level 4)
Student Number:	1293
Assignment:	03

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Logical and well organized answers because the answers are supported with relevant examples throughout.
Question 2	You have clearly outlined the steps involved in developing a logistic strategy and have included relevant examples.
Case Study	You have brilliantly handled the questions related to the case study.
