

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Makwena Samuel Tlhako
Course:	Diploma In Forensic Accounting (Level 4)
Student Number:	1194
Assignment:	12

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Satisfactory answers. Try to support your answers with relevant examples.
Question 2	Satisfactory answer. Concepts seem clear but no examples offered to support how forensic accounting investigators work with lawyers.
Question 3	You have correctly defined the importance of privacy in forensic investigations. However you have not included any examples.

OVERALL GRADING:

Date Graded:	01.12.2014
Overall Result:	Pass
Comments:	You have successfully completed the assignment.
Tutor:	Atif
