

MARKING SHEET FOR STUDENT'S WORK

Student Name:	LEUNG WAI CHEUNG
Course:	Diploma in Forensic Accounting (Level 4)
Student Number:	1362
Assignment:	2

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Satisfactory answers. Your answer to part (ii, iii) of this question was too short rest of the questions were handled well. You could have included relevant examples to support your answers.
Question 2	Good answer a bit more detail was required about Embezzlement.
Question 3	Conceptual clarity in the answer. Your discussion regarding forgery and uttering is too short.
Case Study	Appropriately considered.

OVERALL GRADING:

Date Graded:	09.1.2015
Overall Result:	Pass

Comments:	Satisfactory work, you should try to give detailed answers and used relevant examples to support your work in future.
