

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Zygimantas Lazauskas
Course:	Diploma in Supply Chain Management (Level 4)
Student Number:	1305
Assignment:	03

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Your answers to the first three questions were not clear; rest of the questions were handled brilliantly.
Question 2	You have correctly listed the steps involved in developing a logistic strategy. You could have explained a bit more on how these methods are applied.
Case Study	Your answers to the case study questions are correct.

OVERALL GRADING:

Date Graded:	31.12.2014
Overall Result:	MERIT
Comments:	Overall good assignment; Most of the questions were supported by relevant examples. Well Done!
Tutor:	Samina
