

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| <b>Student Name:</b>   | Jordan Speller                                             |
| <b>Course:</b>         | Diploma in Logistics and Supply Chain Management (Level 4) |
| <b>Student Number:</b> | 2888                                                       |
| <b>Assignment:</b>     | 05                                                         |

## UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the assignment.

### UNIT RESULTS ARE GRADED AS:

| Resubmit | Pass   | Good   | Very Good | Excellent |
|----------|--------|--------|-----------|-----------|
| 0-39%    | 40-59% | 60-69% | 70-89%    | 90+ %     |

### QUESTIONS AND GRADES

| Question No. | Grade      |
|--------------|------------|
| 1            | Excellent. |
| 2            | Very Good. |
| 3            | Very Good. |

### OVERALL GRADING:

|                           |                                                                                                           |
|---------------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Date Graded:</b>       | 13.02.2017                                                                                                |
| <b>Overall Grade:</b>     | <b>Very Good</b>                                                                                          |
| <b>Comments:</b>          | Answers showing very clear understanding with a significant level of insight and a degree of originality. |
| <b>Tutor:</b>             | Ahsan Mehmood                                                                                             |
| <b>Internal Verifier:</b> |                                                                                                           |
