

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Paula Ribeiro
Course:	Diploma in Child Psychology (Level 4)
Student Number:	1307
Assignment:	02

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit ®

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Well structured and clear answers except part (iv, v) where the answers are too brief and you have not included any example to support your points.
Question 2	Good Answer. You have correctly explained Harlow's maternal-separation and social isolation experiments performed on rhesus monkeys.
Question 3	Conceptual clarity in the answer. You could have supported your answer with relevant examples.
Activity	Well written report.

OVERALL GRADING:

Date Graded:	15.12.2014
Overall Result:	MERIT
Comments:	Overall, your performance is good. I can see improvement in your grade.
