

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                          |
|------------------------|------------------------------------------|
| <b>Student Name:</b>   | Jennoreen King                           |
| <b>Course:</b>         | Diploma in Forensic Accounting (Level 4) |
| <b>Student Number:</b> | 1287                                     |
| <b>Assignment:</b>     | 5                                        |

## UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

### UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

| Re submit | Pass   | Merit  | Distinction |
|-----------|--------|--------|-------------|
| 0-39%     | 40-59% | 60-69% | 70+ %       |

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

### QUESTION COMMENTS

| Question          | Comments                                                                                                                                                                                                                                                                           |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Question 1</b> | All the questions are systematically answered, the concepts are very clear. Your work shows that you have researched comprehensively into the topic and have revealed a good understanding of the topics. You have also made good use of examples throughout to support your work. |
| <b>Question 2</b> | Well organized and thoughtful evaluation. The ideas and arguments presented are Logical.                                                                                                                                                                                           |
| <b>Question 3</b> | Your discussion regarding 'Financial crime investigations' is too brief. You could have included relevant examples to elaborate the answer.                                                                                                                                        |
| <b>Case Study</b> | Correct answers related to the case study.                                                                                                                                                                                                                                         |

### OVERALL GRADING:

|                     |            |
|---------------------|------------|
| <b>Date Graded:</b> | 22.12.2014 |
|---------------------|------------|

|                           |                                                                                                                                                                  |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Overall Result:</b>    | <b>MERIT</b>                                                                                                                                                     |
| <b>Comments:</b>          | Overall, your responses offer relevant and valid points which demonstrate your good knowledge and understanding of the topics discussed in this unit. Well Done. |
| <b>Tutor:</b>             | Atif                                                                                                                                                             |
