

MARKING SHEET FOR STUDENT'S WORK

Student Name:	Christo Botes
Course:	Diploma in Forensic Accounting (Level 4)
Student Number:	1309
Assignment:	11

UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

Re submit	Pass	Merit	Distinction
0-39%	40-59%	60-69%	70+ %

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

QUESTION COMMENTS

Question	Comments
Question 1	Well organized and thoughtful answers. You have identified some good points and have made good use of images throughout.
Question 2	You have clearly discussed the motives that could work behind computer related fraud.
Question 3	Well structured and comprehensive answer.
