

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                         |
|------------------------|-----------------------------------------|
| <b>Student Name:</b>   | Mark Richard Alexander-Warne            |
| <b>Course:</b>         | Diploma in Diet and Nutrition (Level 4) |
| <b>Student Number:</b> | 1342                                    |
| <b>Assignment:</b>     | 02                                      |

## UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way. This ongoing assessment allows you to analyse and improve your performance throughout your course. There are set learning objectives for each unit. All Learning objectives **MUST** be passed in order to progress. If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the work.

### UNIT RESULTS ARE GRADED AS:

Pass (P)

Merit (M)

Distinction (D)

Re Submit (R)

| Re submit | Pass   | Merit  | Distinction |
|-----------|--------|--------|-------------|
| 0-39%     | 40-59% | 60-69% | 70+ %       |

If the work you produce doesn't meet the grading criteria for a Pass grade, you will be awarded R, which means 'Re submit'.

### QUESTION COMMENTS

| Question          | Comments                                                                        |
|-------------------|---------------------------------------------------------------------------------|
| <b>Question 1</b> | All your answers to the multiple choice questions are correct.                  |
| <b>Question 2</b> | Thorough and well presented answers.                                            |
| <b>Question 3</b> | You have beautifully discussed about Antioxidants, Cholesterol and Emulsifiers. |

### OVERALL GRADING:

|                           |                                                                                                                                                                                                            |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Date Graded:</b>       | 04.12.2013                                                                                                                                                                                                 |
| <b>Overall Result:</b>    | <b>DISTINCITON</b>                                                                                                                                                                                         |
| <b>Comments:</b>          | Overall, your responses offer relevant and valid points which demonstrate your good knowledge and understanding of the topics discussed in this unit. Well Done.<br>(Note: Please write questions as well) |
| <b>Tutor:</b>             | Khursheed                                                                                                                                                                                                  |
| <b>Internal Verifier:</b> |                                                                                                                                                                                                            |
