

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                       |
|------------------------|---------------------------------------|
| <b>Student Name:</b>   | Obediah.M.Matinenga                   |
| <b>Course:</b>         | Certificate in Fashion Design Level 3 |
| <b>Student Number:</b> | 27368                                 |
| <b>Assignment:</b>     | 06                                    |

### UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way.

Note: If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the assignment.

#### UNIT RESULTS ARE GRADED AS:

| Resubmit | Pass   | Good   | Very Good | Excellent |
|----------|--------|--------|-----------|-----------|
| 0-39%    | 40-59% | 60-69% | 70-89%    | 90+ %     |

#### QUESTIONS AND GRADES

| Question No. | Grade |
|--------------|-------|
| 1            | Good. |
| 2            | Good. |
| Activity     | Pass. |

#### OVERALL GRADING:

|                           |                                                                                                                                                                    |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Date Graded:</b>       | 19.04.2019                                                                                                                                                         |
| <b>Overall Grade:</b>     | <b>Good.</b>                                                                                                                                                       |
| <b>Comments:</b>          | Good answers; showing clear understanding and a good level of accuracy that provides a coherent, sustained, and well-structured argument focused on the questions. |
| <b>Tutor:</b>             | Hammad Ahmed.                                                                                                                                                      |
| <b>Internal Verifier:</b> |                                                                                                                                                                    |
