

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                              |
|------------------------|----------------------------------------------|
| <b>Student Name:</b>   | Michael Harmer                               |
| <b>Course:</b>         | Diploma in Construction Management (Level 4) |
| <b>Student Number:</b> | 9909                                         |
| <b>Assignment:</b>     | 08                                           |

## UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way.

**Note:** If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the assignment.

### UNIT RESULTS ARE GRADED AS:

| Resubmit | Pass   | Good   | Very Good | Excellent |
|----------|--------|--------|-----------|-----------|
| 0-39%    | 40-59% | 60-69% | 70-89%    | 90+ %     |

### QUESTIONS AND GRADES

| Question No. | Grade      |
|--------------|------------|
| 1            | Excellent. |
| 2            | Excellent. |
| 3            | Excellent. |

### OVERALL GRADING:

|                           |                                                                                                                            |
|---------------------------|----------------------------------------------------------------------------------------------------------------------------|
| <b>Date Graded:</b>       | 25.02.2019                                                                                                                 |
| <b>Overall Grade:</b>     | <b>Excellent</b>                                                                                                           |
| <b>Comments:</b>          | Very impressive answers, rich in detail and presented with complete coherence. Above-average performance across the board. |
| <b>Tutor:</b>             | Ayasha Pazeer                                                                                                              |
| <b>Internal Verifier:</b> |                                                                                                                            |
