

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                             |
|------------------------|---------------------------------------------|
| <b>Student Name:</b>   | Paul McDonald Adu Anim                      |
| <b>Course:</b>         | Certificate in Project Management (Level 1) |
| <b>Student Number:</b> | 5271                                        |
| <b>Assignment:</b>     | 03                                          |

## UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way.

**Note:** If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the assignment.

### UNIT RESULTS ARE GRADED AS:

| Resubmit | Pass   | Good   | Very Good | Excellent |
|----------|--------|--------|-----------|-----------|
| 0-39%    | 40-59% | 60-69% | 70-89%    | 90+ %     |

### QUESTIONS AND GRADES

| Question No. | Grade      |
|--------------|------------|
| 1            | Very Good. |
| 2            | Very Good. |

### OVERALL GRADING:

|                           |                                                                                                                                                                                      |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Date Graded:</b>       | 23.02.2017                                                                                                                                                                           |
| <b>Overall Grade:</b>     | Very Good                                                                                                                                                                            |
| <b>Comments:</b>          | Comprehensive and well-organised answers. The argument presented is clear and logical, with evidence of having understood the issues and an ability to think about them effectively. |
| <b>Tutor:</b>             | Ahsan Mehmood                                                                                                                                                                        |
| <b>Internal Verifier:</b> |                                                                                                                                                                                      |
