

## MARKING SHEET FOR STUDENT'S WORK

|                        |                                              |
|------------------------|----------------------------------------------|
| <b>Student Name:</b>   | Jay Japal                                    |
| <b>Course:</b>         | Diploma in Construction Management (Level 4) |
| <b>Student Number:</b> | 7439                                         |
| <b>Assignment:</b>     | 03                                           |

## UNDERSTANDING YOUR RESULT

The course is made up of units, which contain assignments. To complete each unit your work is assessed by your tutor along the way.

**Note:** If the student has achieved less than 40% marks in the assignment it means that the learning objectives have not met and the student will be required to resubmit the assignment.

### UNIT RESULTS ARE GRADED AS:

| <b>Resubmit</b> | <b>Pass</b> | <b>Good</b> | <b>Very Good</b> | <b>Excellent</b> |
|-----------------|-------------|-------------|------------------|------------------|
| 0-39%           | 40-59%      | 60-69%      | 70-89%           | 90+ %            |

### QUESTIONS AND GRADES

| <b>Question No.</b> | <b>Grade</b> |
|---------------------|--------------|
| <b>1</b>            | Excellent.   |
| <b>2</b>            | Good.        |
| <b>3</b>            | Very Good.   |

### OVERALL GRADING:

|                           |                                                                                                                                                                                      |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Date Graded:</b>       | 17.05.2017                                                                                                                                                                           |
| <b>Overall Grade:</b>     | <b>Very Good</b>                                                                                                                                                                     |
| <b>Comments:</b>          | Comprehensive and well-organised answers. The argument presented is clear and logical, with evidence of having understood the issues and an ability to think about them effectively. |
| <b>Tutor:</b>             | Ayasha Pazeer                                                                                                                                                                        |
| <b>Internal Verifier:</b> |                                                                                                                                                                                      |
